B. The Assignee desires to obtain full ownership, including copyright and related rights, in the Works, and the Assignor is willing to assign those rights subject to the terms set out in this Agreement.

1. DEFINITIONS

1.1 **Works** means all creative outputs delivered under the Project, including without limitation: source code, compiled code, HTML/CSS/JS files, design files (Figma/PSD/AI), logo and brand assets (SVG/PNG), audio files, video files, photographs, documentation, print-ready files, and any other materials listed in Schedule A (List of Assigned Materials).

1.2 **Effective Date** means the date on which the conditions for assignment in Clause 2 have been satisfied (including full payment where applicable) or the date inserted above if earlier agreed in writing.

2. ASSIGNMENT

2.1 Subject to full payment of the Consideration (Clause 4) and the other terms of this Agreement, the Assignor hereby assigns to the Assignee absolutely with full title guarantee all worldwide copyright and

all other intellectual property rights (including moral rights to the extent legally transferable) in and to the Works, whether now known or existing or created in the future and whether registered or unregistered.

2.2 The assignment in Clause 2.1 includes the exclusive right to use, reproduce, copy, modify, adapt, publish, distribute, sell, sublicense, assign and otherwise exploit the Works in any medium now known or later developed, and to permit others to do so.

2.3 From the Effective Date the Assignee will be entitled to take any action in respect of the Works in its own name as if it were the original owner of the Works and to apply for registration of any copyright, trade mark, design or other intellectual property right in respect of the Works.

3. MORAL RIGHTS

3.1 To the extent permitted by applicable law, the Assignor hereby waives and agrees not to assert any moral rights (including the right of attribution and the right to object to derogatory treatment) in respect of the Works.

4. CONSIDERATION

4.1 In consideration for the assignment of rights set out in this Agreement, the Assignee shall pay the Assignor the sum of **[amount in words and numbers]** (the "Consideration"), payable as follows:

- Deposit / prior payments: **[amount]** (if any)
- Balance on handover / Effective Date: **[amount]**

4.2 The parties agree that full assignment and transfer of title to the Works is conditional on receipt by the Assignor of the full Consideration. If full payment is not received within **[number]** days of the handover, ownership of the Works remains with the Assignor and the Assignee's use of the Works shall be governed by any license granted in writing.

5. WARRANTIES & REPRESENTATIONS

5.1 The Assignor warrants that:

- (a) It is the sole author or legal owner of the Works or has obtained all necessary rights, consents and licenses to assign the Works;
- (b) To the best of its knowledge, the Works do not infringe the rights of any third party;
- (c) There are no outstanding licences, liens or encumbrances which would prevent assignment of copyright as set out in this Agreement.

5.2 The Assignor will indemnify the Assignee against any loss, costs, damages or expenses (including legal fees) arising from any breach of the warranties in Clause 5.1.

6. THIRD-PARTY ASSETS & LICENSES

6.1 The Assignor shall provide a full list of any third-party assets, libraries, fonts, images, or audio used in the Works and the applicable license terms (see `ASSETS_LICENSES.md` and `FONTS_LICENSE.md`). Where third-party materials are used under licenses that do not permit assignment or commercial exploitation, the Assignor will notify the Assignee and either replace such assets with assignable alternatives or supply the necessary licenses at additional cost.

7. LIMITATION OF LIABILITY

7.1 Except for liability arising from fraud or wilful misconduct, the Assignor's aggregate liability under this Agreement shall not exceed the total Consideration paid by the Assignee.

8. CONFIDENTIALITY

8.1 Each party shall treat confidential information disclosed under this Agreement as confidential and shall not disclose it to any third party except as necessary to perform its obligations or as required by law.

9. GOVERNING LAW & JURISDICTION

9.1 This Agreement shall be governed by and construed in accordance with the laws of **[Specify Jurisdiction — e.g., Republic of Kenya]**. The parties submit to the exclusive jurisdiction of the courts of **[Specify City / Country]** for any disputes arising out of or in connection with this Agreement.

10. GENERAL PROVISIONS
